## CÓMO VIAJAR

### Consejos Utiles

Llegue a la parada del autobús por lo menos cinco minutos antes que el horario programado del autobús. Esté atento a que el bus muestre el nombre de su ruta. Cuando el bus haga su parada completa, abórdelo a través de la puerta frontal, y pague su tarifa. Si necesita Transfer Pass, por favor dígame al operador cuando esté abordando. Tome su asiento lo más pronto posible. Salga del bus por la puerta trasera.

Los buses tienen mensajes de texto y voz cuando su parada está cerca.

Los Asientos Designados por Prioridad son para adultos mayores o personas con discapacidades. Las personas con discapacidades pueden salir del bus por la puerta frontal, que tiene el nivel de la acera.
