Responses to Questions Regarding Request for Proposals:

- RFP# 2024.08.16 CAD/AVL APC and WIFI

Version **08/27/2024**

The following questions have been received by Rider Transit regarding the subject RFPs. Responses are being posted to keep the proposal process as fair and transparent as possible.

-
1. Can Rider Transit provide the headsign controller model and type?
 - Luminator MCU
 2. Can Rider Transit please provide the make and model number, including a picture of the product label, of the APC's installed on the Gillig Hybrid vehicles
 - We are currently using Hella APS. They were installed from Gillig so I can't see the product label.

*Pictures are available upon request
